

SHENZHEN LIHAO MACHINE EQUIPMENT CO., LTD.

Add: NO.25, ShaPo Road, BiLing Village, PingShan Town, LongGang District, ShenZhen,China

TEL:86-755-89230087, FAX:86-755-89230027 www.szlihao.com

Double Head Uncoiler

1. Save the material changing time, improve production efficiency.

2. Be able to work with straightener.

3. Install the motor and the electric control to change into motive stand.

4. With the manual and oil pressure expansion styles.

5. Install the left and right shifter is available if material is too narrow.

6. Suitable for fast punching speed like stator, rotor and ET sheet, etc.

Specification

Model		DBMT-150	DBMT-200	DBMT-300	DBMT-400
coil width	mm	150	200	300	400
coil weight	Kg	500	1000	1500	1500
coil ID	mm	Φ450-530	Φ450-530	Φ450-530	Φ450-530
coil OD	mm	Φ1200	Φ1200	Φ1200	Φ1200
Electrical power		(It can be changed according to your requirement)			
Color		and white, can also customized according to customer's demand			
Optional Configuration		1. Pressing arm			
		2. with power or without power			
		3. Coil car			

Remark:

Machine can be designed and produced according to customer's material coil data
